

DOOR GUIDE

Steel Series 68 | Series 99e

AMERICAN STEEL CARPORTS INC. | VERSATILE. STRONG. BUILT TO LAST.

ASG/ASC Steel Walkin Doors

A 16-gauge G60 galvanized pre-painted steel jamb is a heavy-duty, corrosion-resistant door frame component, often used in durable entry systems for post-frame, agricultural, or commercial buildings. These jambs are engineered for high strength, structural integrity, and long-term, low-maintenance performance.
